Hello!

My name is Sarah Ridgway and I am currently a senior at the College of William & Mary. I am an Education and Psychology double major and will be completing my student teaching experience at Waller Mill this semester. Over the next ten weeks, I will be working closely with Mrs. Vaughan and your child to gain the experience necessary to become a teacher. This experience will include teaching many lessons and eventually taking over the daily classroom procedures for a three week time period. During this time, I will be planning lessons and teaching all of the subjects, with the guidance of both Mrs. Vaughan and my university supervisor at William & Mary. I have already enjoyed getting to know your son or daughter this year and am looking forward to spending more time with them over the next few months! If you ever have any questions or concerns, please do not hesitate to contact myself or Mrs. Vaughan.

Sincerely,

Sarah Ridgway
